

Notification of Intention to Practice as an Architect in South Australia under Automatic Mutual Recognition

This form must be completed and lodged with the APBSA if you are an architect who currently holds registration in an AMR participating Australian jurisdiction and intend to provide architectural services in South Australia.

The APBSA will review the Notification Form and provide acceptance of the notification along with a registration number for use in South Australia. The APBSA may require further information once the Notification is received and assessed.

You must maintain your registration in your 'home' jurisdiction to maintain your registration in SA under Automatic Mutual Recognition.

Once your completed Notification Form has been lodged, you may commence work as an architect in South Australia
